

Dear Students, Parents and Carers

Year 13 Advanced Level Internal Mock Examinations 2024-25

I am writing to confirm the arrangements for the Year 13 internal mock examinations.

The first set of examinations will be held between **Monday 11 November – Friday 22 November 2024** and will take place in the Sports Hall.

The examinations provide an essential opportunity for students to familiarise themselves with the format and content of A-Level papers. Students who have access arrangements (e.g. extra time, use of a laptop etc.) for external exams will have the same arrangement in these mock exams.

During the mock examination periods, students will not be allowed to take study leave. This means that they must attend school as normal.

Mobile phones, iPods etc. are NOT allowed in examinations under any circumstances. Students must be silent in the exam room, face the front when seated and must not communicate with other students in any way. They should supply all of their own equipment (black pens, pencils, calculators etc.) and bring it to the examination in a clear plastic bag or pencil case. A calculator is being promoted on exam board websites for GCE subjects (CASIO Fx-991 EX CLASSWIZ non-programmable calculator); it is advisable that you buy one for both internal and external examinations.

In the run up to the examinations we would ask that you monitor your child's revision and provide a quiet area away from distractions for them to study.

The results of these mock examinations are used by the school to identify those who require additional help and support. Can I ask, wherever possible, that you avoid making medical/dental appointments etc during these internal examinations.

Finally, I would like to wish all students every success in this series of examinations.

Yours sincerely

Ms E J Kaufman
Head of Sixth Form
